

**Presents:**  
**“Art on 5<sup>th</sup> Avenue South”**

Crossing the heart of Old Naples on its way to the Gulf of Mexico, Fifth Avenue South is a charming thoroughfare of galleries, shops and premier eateries. This historic main street with its majestic Banyan trees and flowering Royal Poincianas offers visual rewards on every block. Explore with us the heart of one of Florida’s most sophisticated and charming cities.

Our tour selects the most promising and exciting exhibits from the array of innovative galleries along Fifth Avenue South. The galleries feature works from both local and international artists.

At our first gallery stop, we will enjoy mimosas while contemplating and admiring the art on display. The host of each gallery will be on hand to introduce the featured works and answer questions. As we progress down the avenue, our second gallery promises to offer a refreshing alternative collection of pieces that will change the pace.

Our final gallery will round out the afternoon with yet another look at the vigorous, innovative art venues of Southwest Florida. Naples offers a vibrant and healthy art scene and it will be our honor to introduce it to you on this exciting tour.
