

**Presents:**  
**“Coral Gables –  
Walking My Neighborhood”**

**C**urious about the enchanting neighborhood surrounding the beautiful Biltmore Hotel? You are invited to join us on an old-fashioned walk through the historic streets of Coral Gables.

Strolling past distinctive homes, churches, plazas and parks, you will get a sense of the joy of living in the “City Beautiful.” You will peer into the windows of the oldest house in Coral Gables and learn why it is built around a shack. You will see the honeymoon cottage of the city's founder and find out why it was built with no kitchen. And,

thanks to your guide, you'll learn about some of the little-known yet fascinating aspects of life in the Gables only a local would know.

Your promenade through the shady streets of the Gables will include numerous photo opportunities and a refreshment break at a spot known to the locals as “Burger Bob's.” Ending your walk back at The Biltmore, the richness of the experience will have made our neighborhood your neighborhood, too.
