

Presents: “Cuban Heritage Tour”

It was not long ago that Miami was a rather large but quiet Southern city. The Castro revolution in Cuba in 1959 changed Miami forever. Wave after wave of Cuban refugees has transformed Miami into the Capital of the Americas: a fast-paced, internationally-connected, commercial and entertainment hub with a racy Latin image. From the food to the accents on the street to the fashion scene and artist's studio, Miami pulses to the beat of an original blended culture.

Come with us on a journey through the story of Miami's Cuban community. Experience the passion and vision that these motivated exiles brought to their new home. We visit a well loved marketplace, great Cuban food spots, moving monuments, lively street scenes and a place of spiritual reflection and longing. Take in the smells, sights, sounds and colors of a street that launched the dramatic transformation of Miami over five decades ago and prepare yourself for a day of discovery and fun.
